

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Please act in the interest of fairness and justice, and not in the interest of profit. Our diversity of media ownership makes us richer than the money that will be earned by loosening these rules. Thank you, Adrienne
